TEXAS A&M AGRI LIFE EXTENSION

February 13, 2024

Dear Friend of 4-H,

We are pleased that the 4-H Program in McMullen County is growing exponentially. To accommodate and promote that growth, we are striving to offer more activities and opportunities for our youth to excel by learning leadership and life skills.

The youth are determined to earn funds to make these opportunities possible while also helping the community. In April, the youth will host a 4-H Hog Hunt Contest and the proceeds will go towards entry fees and related expenses for 4-H youth participating in District and State contests in addition to supporting the purchase of county level awards.

To help these youth be as successful as possible, we are respectfully requesting you to consider sponsoring the Hog Hunt. Your sponsorship help pays for various prizes that will be awarded to the champion teams and to the side pot contests.

Please find the enclosed sponsorship information. If you have any questions, please don't hesitate to contact us at the Extension Office at 361-274-3323.

Thank you for your continued support of our youth!

Sincerely,

Christy Lansford
